1. Please provide your views on the Procedure Change Proposal, including any objections or suggested revisions:

Community Electricity is a member of System Management's Power System Operation Procedures Working Group.

Community generally supports the Procedure Change Proposal on the grounds that it clarifies and updates the procedure to include recent changes in the Market Rules and thereby enhances the integrity of the WEM.

-
- 2. Please provide an assessment whether the Procedure Change Proposal is consistent with the Market Objectives and the Wholesale Electricity Market Amending Rules.**

Community considers the proposal to be consistent with all the Market Objectives.

-
- 3. Please indicate if the Procedure Change Proposal will have any implications for your organisation (for example changes to your IT or business systems) and any costs involved in implementing these changes.**

The procedure change has no Implications for Community.

-
- 4. Please indicate the time required for your organisation to implement the changes, should they be accepted as proposed.**
